Michele, fyi - a work in progress. I asked Jerry about this earlier when we were talking on the phone.

George

Subject: Elk Hills

George,

In the primacy document, exempted aquifers in Elk Hills will be covered in the identified hydrocarbon-producing pools in Volume 1 of the Division's "California Oil and Gas Fields" submitted as part of the 1425 demonstration. There's no mention of any non-hydrocarbon exempted aquifers within the Elk Hills field.

Jerry
